

# Reden Sanchez

Full Stack Software Developer

Cagayan de Oro City, Philippines  
+639928002836  
redensanchez.jobs@gmail.com

## BACKGROUND

Front end developer with 7+ years of experience building React applications, creating well-written and testable code.

Passionate about learning and understanding any infrastructure to deliver work from development to release.

Knowledgeable with Git, Redis, MongoDB, SQL Server, NodeJS, CLI and comfortable working with tools such as Visual Studio Code, Android Studio, Yarn, Npm to name a few.

Enjoys the challenge of learning and figuring out a solution to a problem, mostly setting up and providing proof of concept before diving deep into implementation.
